CITY ESTABLISHES 2006 LEAF PICK-UP SCHEDULE

Brazil, Indiana The city has released the 2006 Leaf pick-up schedule. Leaves will be picked up:

Week of October 30: All residents north of US 40
Week of November 6: All residents south of US 40
Week of November 13: All residents north of US 40
Week of November 20: All residents south of US 40
Week of November 27: All residents south of US 40
Week of December 4: Any resident not picked up by December 1 may schedule an pick-up by contacting the street department at (812) 448-8501.

Leaves should be to the tree row or edge if their yard, in the event there is no tree row. Leaves should not be raked into the street. Raking leaves in the street makes it more difficult for the vacuums to pick up and clogs storm drains.

Residents that have questions may contact the city street department at (812) 448-8501.
